An Appeal for Donation

Kamarpukur Ramakrishna Mission Multipurpose School is a Secondary School run by Ramakrishna Mission Kamarpukur, a branch centre of Ramakrishna Mission, Belur Math, Howrah. This school started its journey full fledge from 1962.

Our school is slowly but steadily crossing 60 years of its relentless service to manifest the perfection already within the students, specially spreading character building and man making education. We all know that this year we are observing the **Diamond Jubilee**. As a part of Diamond Jubilee programme we have taken so many well-intentioned projects to shape our school with modern facilities of education. To materialize these projects, we need a large amount of fund but due to various constructional work, repairing of old building, painting of the whole school building and other works for beautification, we have spent huge money, hence we are suffering from financial paucity. The projects that we are going to execute are as stated below :

- i) **Science Laboratories for Higher Secondary Section going to be started.**
- ii) **Renovation of school building.**
- iii) **School Magazine "Sarada"**
- iv) **Introducing of special classes like-** a) Playing on the Music, Guitar, the Violin, the Key-board, the Tabla and blowing of Flute & Mouth-organ, b) Practicing Better Handwriting, Drawing, Computer, c) Coaching Football and Karate etc. to flourish the extra-curricular activities and all-round development of the students.
- v) **Exhibition on the History of Indian Independence to Celebrate 75years of Independence of our Nation.**

For all these aforementioned noble-intentioned work/ projects, I appeal to the benevolent people, well-wishers of the school, guardians of present students, the alumni and others to contribute as their ability to actualize these sacred tasks on the momentous occasion of the Diamond Jubilee of our school.
